## Houses for Change<sup>®</sup>

### *Helping Homeless Families in our Community*

Our students are participating in Houses for Change, a national campaign to help homeless families. Your child has created a unique house-shaped collection box. Please fill the box with change. The money they and you save will become a communal donation from our students to *Insert Charity Name Here* to help homeless families.

Please have your child bring the money saved or a check for that amount to our *Holiday Party*.

**(If your organization is a nonprofit add)**

Donations in the form of a check are tax-deductible.

Houses for Change is more than a fun arts and crafts project. It is an opportunity for our students to help the less fortunate and realize that they can make a difference.
